

INTRODUCTION TO GARMENT SCREEN PRINTING

Mar. 12-13 | 8730 Prestige Court, Rancho Cucamonga, CA 91730

We may call our class "Introduction To Garment Screen Printing," but just ask one of the long time printers that have taken this course and they will tell you that there is something for everyone. We have created a fast-paced and fun curriculum that not only shows you how to get started, but also how to evaluate the jobs that are coming your way and ensure that you are maximizing your profits.

Our two-day format allows you to retain more information because we don't inundate you with a long one-day torture session. So if you have ever thought about screen printing or if you already print and are looking for a way to take your business to the next level, just give us a call or visit us online and take the first step!
